1 A " " following a place name indicates that the place is coterminous with a MCD. A " " indicates that the place is also a false MCD. In both cases, the MCD name is shown only when it differs from the place name.

2 A " " following a VTD code indicates an actual voting district. Its absence indicates that the VTD is a pseudo voting district or no information is available as to its status.

3 A " " following a block number indicates that the block number is repeated elsewhere in the block.

The main map displays the Eastern District 9507, which is outlined in red. The district is situated within a larger geographic area, with its boundaries defined by a series of blue dots. The map includes a coordinate grid with labels at the top (37 753297N, 80 846271W) and bottom (37 715516N, 80 846271W). A scale bar at the bottom indicates a distance of 4 miles and 7 kilometers. The map also shows a network of roads and other geographic features within the district.

All legal boundaries and names are as of January 1, 2000.  
The boundaries shown on this map are for Census Bureau statistical data collection and tabulation purposes only; their depiction and designation for statistical purposes does not constitute a determination of jurisdictional authority or rights of ownership or entitlement.  
U.S. DEPARTMENT OF COMMERCE Economics and Statistics Administration U.S. Census Bureau

An inset map showing the location of the district within the county. The district is highlighted in a darker shade of gray, and the county boundary is shown in a lighter shade of gray.

A key to adjacent sheets showing the district's location relative to other sheets. The district is represented by a gray square, and the adjacent sheets are represented by white squares.
